Steinunn Valdimarsdottir, W.F. West High School's first American Field Service foreign exchange student came to us from the land of fire and ice . . . Iceland. She left her parents and three sisters at home in Reykjavik and flew to New York in the middle of July, 1961. Arriving in Chehalis in August, she enrolled with a full course as a senior in our high school and when school began in the fall, she immediately made many new friends who were all eager to learn of the ways of Icelandic teen-agers. Delighted by her wonderful smile, they in turn helped Steinunn to learn our customs and language.

At the first Girls' League meeting Steinunn was elected senior representative to the cabinet by a unanimous vote, and thus she learned a little bit about the government of the school clubs.

A new experience for her was football even though she was quite skilled at the game of soccer. Eager to learn she attended every football game, and just as she began to understand the rules, football season ended and basketball, an old friend, began.

As the new year rolled in, Steinunn was in demand nearly every week as a speaker to tell of her experiences in the United States, and it seemed as though people never tired of listening to her.

It is certainly too bad that Chehalis and W. F. West High School had to lose such a wonderful person, perhaps forever, but maybe one day she will return to the United States and visit her alma mater. We hope so.

In 1958 we entered W. F. West High School as eager and ambitious freshmen. Lynn Buess led our way over the rocky paths that we chose to follow. Our spirits were often dampened when we received the usual freshman rebuffs.

But by the time we were sophomores under the capable direction of Bill Wood we were able to take a more constructive part in high school activities. We worked hard on our first dance, the Sophomore Hop "Blue Moon," honoring the departing seniors.

As juniors and upperclassmen we assumed greater responsibilities. With Ethel Smith as our chief we established ourselves in the organizations throughout the school. Our Junior Prom, "First Star to the Right," was a festive occasion not soon to be forgotten.

And finally with Craig Gunther as our guiding light we took our places as seniors. Our Fall Formal, "Mississippi Moonlight," was a truly outstanding dance. We realized now to our disappointment that we were still not mature, dignified people that we had hoped to be but after June 1, 1962, we would have to take our places in the world as adults. Yes, commencement would be for us truly the beginning of a new period in our lives with newfound joys, sorrows, and responsibilities.

HONOR SOCIETY

The Chehalis Chapter of the National Honor Society follows the approved pattern, restricting its membership to the ten per cent of the high school student body who meet the qualifications of scholarship, service, character and citizenship.

Regular monthly meetings are held throughout the school year. Social events are centered in a Christmas party and the annual spring banquet to which new members are invited as special guests. Not only new members but also the parents of the officers were honored at the 1962 banquet. The guest speaker, Miss Thelma Brooks, of Centralia College and a former advisor of the W. F. West Honor Society, spoke of her summer experiences while attending the University of London.

Coach Giske's Bearcats opened the '61 gridiron season with a thrilling 13-6 win over Centralia in the Annual Shrine Game. This victory brought the trophy home for the third year in a row. With predictions from many sources below par, the squad was determined to come back with a winning year. The second game of the season put a fight attitude into the Bearcats as North Thurston edged by us with a 14-12 win. The season held plenty of thrills and high hopes for the Bearcat squad with such games as the 31-0 sweep over Raymond, a 26-14 victory over Elma, and the 41-19 victory over the

SEASON'S RECORD

This year the Bearcats did not rank highly in league standing, but they did display some fine qualities in many of their tight games. In league play there were five wins to ten losses, and in overall play, seven wins to twelve losses. Coach Smith organized a fine team with the available material. He mixed a multiple offense and zone and man-to-man defense. With a rather small team the fast break and full court press seemed most effective.

The Bearcats finished the 1961-62 season with the following record:

Chehalis	49	Kelso	63
Chehalis	39	Centralia	38
*Chehalis	48	Elma	62
Chehalis	69	Centralia	44
